WE NEED YOUR HELP !!!.....

Should you desire to serve as a director, the following positions will be open at the annual meeting in May 2004.....noted by “*”

Dirt fill for roads.....

You may notice several piles of road fill around the lake.....this has been hard to come by. The BOD had several extra loads hauled for future road filling. Please help us reduce operating costs and “fill a hole” should you see one.

Courtesy Rule Reminder...

please, no ATV's after 10:00PM !!!

Weed Spraying....Groundcover

Please do not spray weed killer *to kill ALL* *vegetation* around the spring and dam area. We have killed ground cover that is valuable in keeping these areas from washing worse than normal. Should you have *honeysuckle* or other ground cover (other than poison ivy)...we need new cover planted....especially in the spring area.
