Maintenance - Paul Lee

Recreation - Glen Knight
Waterways - Gary Barnard
* Term Expiring

ATV Use at the Lake - Again

ATV usage at Sand Lake continues to need monitoring. PLEASE, if you have, or bring ATV's.... monitor those who use them. Damage is caused to roads by doing donuts, turning around in yards and by driving off existing trails. **It is EACH members responsibility to ensure this is followed.**

NO NEW TRAILS !

DRIVE SLOWLY!

Catch & Release is Working !

With an 11lb bass caught by Alicia Heil last September and multiple 6 - 7lb bass being reported. Not to mention **Michelle Branin caught a 9lb'er** the end of April.....**all** are back in the lake for another day. **Catch & Release is the way fish get bigger.** If you would like to see some pictures of these on the web, type the following address in your browser:

A Great Work Day !

We thank all members who worked so very hard Sat. April 12. Your

efforts help keep the property nice and dues to a minimum.

If you weren't there, you can still help. Once the burn ban is lifted we will need "hands" to help burn the limbs.

**Dues are accruing penalties
please pay as soon as possible !**
